REASONS FOR ALLOWANCE

1. A request for continued examination under 37 C.F.R. § 1.114, including the fee set forth in 37 C.F.R. § 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 C.F.R. § 1.114, and the fee set forth in 37 C.F.R. § 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 C.F.R. § 1.114. Applicant's submission filed on 10 July 2009 has been entered.
2. The information disclosure statements filed 10 July 2009 and 28 July 2009 have been considered. However, the IDS filed 28 July 2009 cited non-final Office Actions mailed 16 April 2009 and 22 June 2009 in US Application SN 11/617,177. However, upon reviewing the contents of that application, no Office Actions with those mailing dates are found, so that these actions could not be considered.
3. The following is an examiner's statement of reasons for allowance: None of the prior art teaches or suggests receiving information identifying an input image, comparing the input image to a plurality of image file documents to identify an image file document that includes information that is considered to match the input image and determining a recorded presentation information document that is associated with the image file document, as variously required by claims 1, 38 and 75. The prior art also fails to teach or suggest capturing an image that includes an image of a display, determining contents of the display and searching a plurality of recorded image documents using the contents of the display, as required by claims 23, 60 and 91.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Claims 1-101 are allowed.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Johns whose telephone number is (571) 272-7391.
